**EVANGELINE PARISH STUDENTS
ARE GOING PLACES!**

JOURNEY TO SUCCESS: COLLEGE, CAREER, AND JOB EXPO 2023

The Evangeline Parish School District will host the annual College, Career, and Job Fair for our High School Juniors and Seniors on Wednesday, October 11, 2023 at the Mamou Recreational Center from 8:00 am - 1:00 pm. This year, we have partnered with the Louisiana Workforce Commission to add a job fair component as part of the expo. Students 16 years of age or older will have the opportunity to hand out resumes and fill out job applications on site with potential employers. **You are contributing to a better prepared workforce pipeline when you hire high school students because it helps them to:**

- Foster a relationship between earnings and education
- Gain interpersonal and communication skills
- Build their resume early on
- Develop a work ethic
- Help students understand the value of a dollar
- Teach the importance of budgeting
- Teach time-management skills
- Keep students on the path to success

If you are interested in having a booth at the expo, use the QR code below to RSVP by September 21st. Contact Liz Chatelain at (337) 831-2691 or by email at liz.chatelain@epsb.com for more information.
